DJ Colter honoring Dan and Shelley for 30 years of service

Our 30 Year Celebration theme was "Great Things He Has Done." We celebrated the milestone of thirty years of God's goodness to Valley because there were so many reasons to be thankful! Many of you joined us for our celebration at the Delta hotel on November 2nd. For those of you that were not able to be with us- we missed you!

It was a fantastic night of thanking God and the many people in this community who helped form Valley into what it is today. We had music, fellowship, good food, and sharing Valley's history. People seemed to really enjoy the night, and many stayed long after the banquet was over to enjoy fellowship. Although the whole night was wonderful, a few pieces stand out.

We celebrated our many board members from the beginning to now. I am so thankful that over the years, God has given us just the right mix of people, with the right giftings, that we needed for each phase of our growth. We have always enjoyed unity among our board. That night, our current board gathered around our new Co-CEOs – Sarah Stigen and Nicole Rostad. We laid hands on them as I personally prayed for God's anointing on them, passing the mantle of leadership on to them. I am so proud of these two women, and feel confident that they have the character, vision, and skill to lead Valley into the future.

I was overwhelmed and felt honored through the evening. It's so heartwarming to look back over the 30 years. God's hand was clearly upon Valley (and me!) through the years. In that time, we have served approximately 15,000 people, which amounts to nearly 130,000 appointments.

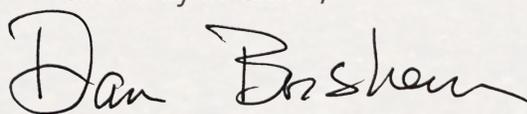

As I retire from my position of CEO, I feel so blessed by what God has done here. I have always believed that Valley is an expression of God's compassionate, caring heart, not only for this community, but our surrounding communities, as well.

I would like to personally salute Pastor Durwood Garrett and Len Sliwoski, as they will be leaving the board in December. Both have given us many years of excellent leadership. I also salute our many godly, skilled counselors who have been with us over the years. They have extended God's compassion and wisdom to many. Also, I salute our office staff who are so strategic in supporting all that we do!

Then I would like to salute all of you! You have partnered with us over the years by praying for us, supporting us financially, and encouraging us in countless ways! You have been an important part of what God has done in and through Valley. What awesome, open-hearted, open-handed giving from so many of you the night of our celebration!

For those of you who are still considering your end of year giving, I humbly ask you to consider helping Valley so that we can approach the end of the year and start the new year strong! Finally, thank you all. My heart is filled with love and gratitude for you all. Happy Thanksgiving!

Sincerely in Christ,

YOUR PARTNERSHIP MEANS SO MUCH TO US AND TO THE CLIENTS WE SERVE.
WITH OFFICES IN FOUR COMMUNITIES, OUR REACH IS GREATER THAN EVER. THANK YOU!

HONORING DAN

Dan is a committed man of God to the community, his church, employees and everyone he encounters. His servant heart, compassion and leadership have changed hearts and lives through all the community.

~ Tammy Wood, Board Member

Well done, Dan! You've been a dear friend, but these words come to mind when thinking of you: servant, leader, kind, tender-hearted, caring, compassionate, encourager, listener, there for others, patient. You have always been a man after God's own heart (1 Samuel 13:14). Not only have you served Valley, but you have poured your heart into business leaders, friends and area pastors who needed encouragement and a listening ear. Thanks for your commitment and example. Thanks for choosing to serve our Savior in all you do. Thankful to the Lord for the man in Him you have become.

~Paul Leverington, Board Member

For 30 years: You walked faithfully and humbly with the Lord. You loved, or willed good, for your coworkers and clients. You used the Lord's grace or power. Thank you for the difference you've made.

~ Len Sliwoski, Board Member

God has used Dan in remarkable ways to guide VCCC. Dan's sensitivity to the Spirit and the unique mission of the center has navigated the changing waters of the center's development. He has inspired wonderful counselors who stand beside and lift up those who come for our support and help. He has led a dedicated staff who meet with grace and love the many who approach the center every day. He has matured and grown in his personal and professional life to become what was needed as VCCC has also grown and matured. Well done, Dan!

~ Pastor Dude Garrett, Board Member

I have really enjoyed working with Dan during my time on the board and seeing his selfless commitment to VCCC, its counselors, staff, and clients. Dan models humble leadership and servanthood. It has been my privilege to work with him and I am so happy he will continue to have a role at Valley for the foreseeable future.

~ Ann Dahl, Board Member

Dan has a special way of connecting with everyone-I've never met anyone who didn't like him. He's a great listener and has a gentle soul. God has given him the gift of wisdom, but he is so down-to-earth and real in how he shares it with you - that you want to hear more...even when it isn't the easiest to hear!

~ DJ Colter, Board Member

Dan is a humble and dedicated servant of God. Thank you.

~ June Nygard, Board Member

When God calls us into service, we seldom know the path ahead, only to trust and obey. When we look back, we see where we have been and the roles we have played. You have nurtured VCCC from its infancy to become a respected center for healing today. Thanks for your leadership! As time marches on and as roles continue to shift, the core purpose of helping people at VCCC continues because of the commitment you and your team have made as you reflect Jesus. Thanks for the role you have played in firmly establishing VCCC!
